POSITION DESCRIPTION

La Cheim School, Inc., Behavioral Health Services (BHS), a community mental health center located in downtown Oakland, California and currently operating virtually, is seeking someone with excellent organizational, administrative, clinical, and customer service skills for the position of Admissions Coordinator. The Primary Duty is to coordinate all admissions-related activities, including the timely, courteous, and accurate screening and processing of client referrals to La Cheim BHS' Partial Hospitalization and Intensive Outpatient Programs; gathering medical records, client-signed consent forms, and other admission-related documents for each incoming client; scheduling client admission intake interviews with psychiatric staff; verifying insurance coverage and obtaining initial authorization of services for those clients who are admitted; skillfully managing a client waiting list to minimize wait time and maximize client census; developing and nurturing of productive relationships with referral sources; doing marketing and outreach communications and presentations as needed to ensure community and referral source awareness of La Cheim CMHC mental health services; and training Clinical Associates in basic aspects of admissions work. La Cheim Behavioral Health Services is a client-centered, trauma-informed, strengths-based, diversity-valuing organization. The starting pay for this position is \$28/hour, 24 hours/week, without benefits. Start date is December 1, 2022, or sooner.

SUMMARY OF RESPONSIBILITIES

- Work cooperatively with other members of Admissions Department team in all related tasks to meet La Cheim BHS caseload capacity and demand for services as determined by Program Director.
- Manage client waiting list, track client discharges, and schedule client admissions skillfully to maintain a client enrollment at or near staffing capacity as determined by Program Director.
- Do marketing outreach, communications and presentations as needed to ensure community and referral sources awareness of La Cheim CMHC mental health offerings and referral process, embodying a welcoming, responsive, reassuring, and competent manner with dependable follow-through.
- Thoughtfully suggest other treatment and support resources to people seeking help when/if the La Cheim program is not an appropriate referral.
- Determine appropriateness of prospective clients for La Cheim's PHP and IOP level of care, including screening for medical necessity and the client's potential to benefit from services.
- Assist as needed in verifying prospective client's insurance coverage.
- Assist as needed in determining and documenting if there is a relevant co-pay, deductible, or out-of-

pocket payment maximum, and relay this payment information clearly to client, to client's treatment team, and to billing department
